Daytime Telephone:
Contact E-Mail: s_siewert@yahoo.com
Name of Utility Company: Idaho Power
Acknowledge: acknowledge

Please describe your comment briefly:
Regarding the proposed rate increase for Langley Gulch power plant

Viewed in light of the extremely favorable pricing of natural gas, this plant would quickly pay for itself, even without a rate increase. At around \$2 per MMBTU in the futures market, why not lock in gas, at the same time ensuring profit, run the plant, and not pursue an unnecessary increase to Idaho Power customers?

thank you
