Boise, Id 83720-0074

TO WHOM IT MAY CONCERN:

Kindly consider my concerns on the constant rate increases by Idaho Power Co. Their rate increases are more than ratepayers can afford. Seniors and the unemployed are struggling to keep our heads above water. This needs to stop.

Let them live within their budget and not off the ratepayers.

I hope you will consider us as you make your decision.

Thank you,

Doris Robinson

Emmett, Id
