BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION
OF IDAHO POWER COMPANY FOR
AUTHORITY TO MODIFY ITS NET
METERING SERVICE AND TO INCREASE
THE GENERATION CAPACITY LIMIT

Case No. IPC-E-12-27

**PETITION TO INTERVENE OF IDAHO
CLEAN ENERGY ASSOCIATION INC.**

COMES NOW the Idaho Clean Energy Association Inc., (ICEA) and, pursuant to RP 72-75, Petitions to Intervene in the above matter, and in support thereof respectfully shows as follows, to wit:

I.

ICEA is a corporation organized and existing under the laws of the State of Idaho pursuant to the Idaho Nonprofit Corporation Act, Idaho Code § 30-3-1 *et. seq.*

II.

Among the corporate powers of ICEA is “to advocate for the advancement of clean energy in public policy and public discourse”.

III.

The membership of ICEA is comprised of business enterprises dedicated to the advancement of the clean energy industry in Idaho.

IV.

The Board of Directors of ICEA has authorized the filing of this Petition and participation in this proceeding.

V.

All pleadings, papers, orders and notices should be served upon:

Dean J. Miller
McDEVITT & MILLER LLP
P.O. BOX 2564-83701
Boise, Idaho 83702
joe@mcdevitt-miller.com

And

Board of Directors
Idaho Clean Energy Association Inc.
P.O. Box 1212
Boise, ID 83701

VI.

ICEA desires to participate in this proceeding with full rights of a party to, if necessary, introduce evidence, cross examine and participate in hearings or oral argument. The exact quantity of evidence to be introduced cannot be stated at this time, but ICEA's participation will not unduly broaden the issues or cause delays.

VII.

ICEA claims a direct and substantial interest in the proceeding because the proposals contained in Idaho Power's Application, if approved, would hamper the growth of the green energy industry in Idaho.

VIII.

ICEA believes that the nature and complexity of issues presented by Idaho Power Company's Application are such that they would be best examined by a technical hearing. ICEA requests that the Commission schedule a technical hearing, preceded by an appropriate period during which discovery may be conducted.

IX.

Depending on future developments, ICEA may seek intervenor funding pursuant to RP 161-165.

DATED this 24 day of January, 2013.

IDAHO CLEAN ENERGY ASSOCIATION INC.
