Subject: PUC Comment Form

A Comment from Robin Maclay follows:

Case Number: IPC-E-12-27
Name: Robin Maclay
Address: 21062 Rosewood Dr.
City: Greenleaf
State: ID
Zip:
Daytime Telephone: 208-258-4302
Contact E-Mail: Four4rs@aol.com
Name of Utility Company: Idaho Power
Acknowledge: acknowledge

Please describe your comment briefly:

Idaho Power should continue to support green energy by buying back extra power generated by citizens who've installed solar panels.
Aside from this being an environmental no-brainer--people invested in solar panels in good faith--assuming that Idaho Power would do it's financial part.
Further, Idaho Power should be run as a PUBLIC utility. Electricity, like water is essential to modern life--too vital to be managed in order to benefit investors.
