IDAHO PUBLIC  
UTILITIES COMMISSION

To The Public Utilities Commission

Mr. B. Brooks 75 of Caldwell -  
needs to have the A/C Cool Credit - so  
does all seniors. S.S. doesn't cover  
enough to have to put up with  
summer heat.

C. Hartman New Plymouth - I  
need the Irrigation Peak rewards  
for my 15 ac. in hay or corn.

Idaho power bills here  
gotten to high when you look at  
past yrs.

Thanks

C. Hartman &

B. Brooks  
Caldwell
