If this concerns a Business, Business Name: n/a **Business Address:**

Name of Utility Company: Idaho power
Have you contacted the utility regarding your concern?: yes

Please describe your question or complaint briefly:

I have lived at the same address for 11 years. My power bill has increased by almost 40% since then. My income has not.

Idaho Power is trying to sustain projected profits for their shareholders at the expense of the public, who are similarly not experiencing an income growth.

These rate hikes will lead to people living without simple conveniences, heat, cooling, etc., and will lead to bills so large that people cannot pay them.

The power company, and YOU, are here to serve the public. NOT TO INCREASE PROJECTED PROFITS FOR A BUNCH OF WEALTHY PEOPLE WHO OWN STOCK!!!!!!
