If this is in reference to any raise electricity rates, then I am completely against it. Idaho Power has plenty of money coming in and we don't need to pay the brass for plush offices and huge homes. Plus the service when the power goes out is horrendous in my opinion. THAT is what I think

I am a low income person who can not afford a raise in the Idaho Power bill. I was surprise that I was the only residence at that meeting. There are several Seniors residence who cannot afford the raise.
