Re: Tariff Advice No. 13-08  
Annual Compliance Filing to Update the Substation Allowance and  
Vested Interest Provisions under Schedule 19, Large Power Service

Dear Ms. Jewell:

Idaho Power Company hereby submits proposed modifications to Schedule 19, Large Power Service. This is the first annual compliance filing to update the Substation Allowance and Vested Interest provisions under Schedule 19 as required by Idaho Public Utilities Commission Order Nos. 32893 and 32914. The following tariff sheets identify the proposed modifications:

Original Sheet No. 19-5  
Original Sheet No. 19-6  
Original Sheet No. 19-7

The Company's modifications are necessary for it to implement and administer the new Schedule 19 Substation Allowance and Transmission Vested Interest provisions as ordered by the Commission in Order No. 32893.

The modifications to Schedule 19 are presented in three sections. The first section introduces new defined terms used within the subsequent Substation Allowance and Transmission Vested Interest sections. The definitions are provided to ensure an understanding and consistent application of the following sections.

The Substation Allowance section outlines when a Customer would qualify to receive a Substation Allowance, the maximum possible Substation Allowance to be refunded, and how the Customer will be refunded. Lastly, the Transmission Vested Interest section outlines when a Customer would qualify to receive Transmission
