Intermountain Energy Partners LLC (“IEP”) hereby petitions the Commission for leave to intervene in the above-titled proceeding pursuant to the Commission’s Rules of Practice and Procedure, IDAPA 31.01.01.071-.75. As discussed below, IEP has a direct and substantial interest in these proceedings, and therefore the Commission should grant intervention.

IEP is a utility scale renewable energy development company, headquartered in Ketchum, Idaho with an office in Boise, Idaho. IEP has renewable energy projects in various stages of development across the west and in particular in Idaho Power’s territory totaling over 250MW that have asked for and received indicative pricing from Idaho Power. IEP is the successor in interest to Sunergy LLP, the proponent of the Boise City Solar project, currently pending before the Commission.

ORIGINAL

IEP's Petition to Intervene is timely and consistent with the Commission's Notice of Application. IEP requests that all pleadings, correspondence, discovery, and other documents be served on the following:
