**FROM:** KARL KLEIN  
DEPUTY ATTORNEY GENERAL

**DATE:** FEBRUARY 20, 2015

**SUBJECT:** IDAHO POWER'S APPLICATION FOR APPROVAL OF NEW  
SCHEDULE 82 (FLEX PEAK PROGRAM); CASE NO. IPC-E-15-03

On February 4, 2015, Idaho Power Company applied to the Commission for an Order authorizing the Company to implement a new Schedule 82, Flex Peak Program, and to continue recovering demand response expenses in the manner it currently does. The Flex Peak Program is a voluntary, internally-managed demand response program for commercial and industrial customers who wish to reduce their energy loads for short periods during summer peak days. The Company asks the Commission to use Modified Procedure for the case, and to issue an Order by May 1, 2015, so the Company will have 45 days to solicit program participants before the program season starts on June 15, 2015.

### STAFF RECOMMENDATION

Staff recommends the Commission issue a Notice of Filing and Notice of Modified Procedure setting an April 8, 2015 deadline for interested persons to comment, and an April 15, 2015 deadline for the Company to reply.

### COMMISSION DECISION

Does the Commission wish to issue a Notice of Filing and Notice of Modified Procedure setting the recommended comment and reply deadlines?
