SUBJECT: IDAHO POWER'S NEW SCHEDULE NO. 82 COMPLIANCE FILING
WITH ORDER NO. 33292 REGARDING ITS FLEX PEAK PROGRAM;
CASE NO. IPC-E-15-03

On May 7, 2015, Idaho Power filed conforming tariffs for Schedule No. 82 with a May 7, 2015, effective date in compliance with Commission Order No. 33292. The original tariff language related to event notification for the Flex Peak Program was inconsistent with the Company's Application and supporting testimony filed in the case.

STAFF ANALYSIS

Staff has reviewed the Company's filed Schedule No. 82 tariff and it is in compliance with the language approved in Commission Order No. 33292. The compliance filing corrects for prior inconsistencies and alleviates concerns about the timing of event notification identified by Staff in Comments. The revised tariff language specifies that the event notification shall occur "on or about two hours prior" to the program event, rather than "at least" two hours before an event.

RECOMMENDATION

Staff recommends that the Company filed tariff be approved with an effective date of May 7, 2015, to conform to Order No. 33292.

COMMISSION DECISION

Does the Commission approve tariff Schedule No. 82 with the proposed effective date?
