CASE NO. IPC-E-15-26

MOTION TO EXTEND COMMENT  
DEADLINE

Pursuant to Rule 56 of the Rules of Procedure of the Idaho Public Utilities Commission (the "Commission"), the Industrial Customers of Idaho Power ("ICIP") by and through their attorney of record, Peter J. Richardson, hereby moves the Commission to extend the comment deadline in the above captioned docket by three weeks with comments to be due January 26, 2016, and reply comments to be due February 2, 2016.

The ICIP filed its Petition to Intervene and First Production Request on December 15, 2016, which was the same day the Commission issued its Notice of Comment deadline. In order to fully review responses to its production request and formulate thoughtful comments, the ICIP seeks approval for its proposed extended comment deadline.

Counsel for the ICIP has contacted counsel for both the Commission Staff and Idaho

Power Company with regard to its request. Although neither party objects, Idaho Power does not object to a delay so long as the Commission's ability to issue an order on or before February 25 is not impaired. Counsel for the Staff informed the parties that she believes the ICIP proposed extension still allows sufficient time for the February 25 target date.

WHEREFORE, the ICIP respectfully requests the Commission grant its Motion to Extend the comment deadline as noted above.

RESPECTFULLY SUBMITTED THIS 16th day of December 2015.
