AMENDMENT TO THE ENERGY SALES) APPLICATION FOR APPROVAL OF
AGREEMENT BETWEEN IDAHO) THE SECOND AMENDMENT TO
POWER COMPANY AND RIVERSIDE) THE ENERGY SALES AGREEMENT

_____)

Idaho Power Company ("Idaho Power"), in accordance with RP 52 and the applicable provisions of the Public Utility Regulatory Policies Act of 1978 ("PURPA"), hereby respectfully applies to the Idaho Public Utilities Commission ("Commission") for an order approving the Second Amendment to the Energy Sales Agreement between Idaho Power Company and Riverside Investments I, LLC ("Second Amendment"), attached hereto as Attachment 1. This Second Amendment is to correct the contracting entity in the Energy Sales Agreement ("ESA").

In support of this Application, Idaho Power represents as follows:

I. INTRODUCTION AND BACKGROUND

1. Idaho Power and Riverside Investments, LLC, entered into an ESA on December 1, 2011, for the purchase and sale of energy produced by the Fargo Drop Hydro Project located near Homedale, Idaho. This ESA was approved by the Commission in Order No. 32451 on February 1, 2012.

2. Idaho Power and Riverside Investments, LLC, entered into a First Amendment to the ESA on October 2, 2014, in order to amend the definition of Mid-Columbia Market Energy Cost. The First Amendment was approved by the Commission in Order No. 33184 on November 21, 2014.

3. Subsequent to the full execution and Commission approval of the ESA, it was discovered that the contracting entity referenced in the ESA, Riverside Investments, LLC, was not the correct name of the limited liability company filed by the contracting entity's signatory with the Idaho Secretary of State. The correct name of the limited liability company on file with the Idaho Secretary of State is Riverside Investments I, LLC.

II. THE AMENDMENT

4. On March 17, 2016, Idaho Power and Riverside Investments I, LLC, entered into this Second Amendment to change the contracting entity in the ESA from "Riverside Investments, LLC" to "Riverside Investments I, LLC." The limited liability company is referenced on pages 1, 28, and 30 of the ESA and on pages 1 and 3 of the First Amendment.

5. This Second Amendment does not change the terms, conditions, provisions, or pricing in the ESA as executed by the parties and approved by the Commission.

III. PROCEDURE

6. Due to the limited scope of the Second Amendment, Idaho Power requests that the Commission approve the proposed Second Amendment upon review and without further process.

7. Alternatively, should the Commission determine that further process is required, Idaho Power believes that a hearing is not necessary to consider the issues presented herein and respectfully requests that this Application be processed under Modified Procedure; i.e., by written submissions rather than by hearing. RP 201, *et seq.*
