CASE NO. IPC-E-16-11
PETITION TO INTERVENE OF THE
IDAHO CONSERVATION LEAGUE

The Idaho Conservation League ("ICL") petitions the Commission to intervene in this matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12
Fax: (208) 344-0344
botto@idahoconservation.org

In the interest of conserving natural resources and reducing the costs, please provide hard copies of pleadings, testimony, and briefs only to the name and address above. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IDAPA 31.01.01.063.02-03.

2. The Idaho Conservation League intervened in the prior solar integration docket, IPC-E-14-18, and claims a direct and substantial interest in this new solar integration docket. As Idaho's largest state-based conservation organization, we have over 25,000 supporters, most of who are residential customers of Idaho Power. ICL also has an interest as a small commercial customer of Idaho Power taking service under Schedule 7. ICL and our supporters have a substantial interest in growing Idaho's clean reliable and affordable energy resources to avoid burning fossil fuels and protect Idaho's air quality and natural landscapes. We have a direct and

substantial interest in ensuring the Idaho Power collects fair, just, and reasonable rates and charges from both customers and renewable energy providers. Because this Commission has directed all utilities to pursue all cost effective efficiency and conservation measures, ICL's intervention will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 8th day of June 2016.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
