Re: **Case No. IPC-E-16-24**
Idaho Power's Application to Increase Rates to Recover Costs Associated
with the North Valmy Power Plant - **Errata** to Application

Dear Ms. Jewell:

Enclosed for filing in the above matter are an original and seven (7) copies of the **Errata** to the Application filed in this matter on October 21, 2016. The Application contains a typographical error in paragraph 22 on the reference to the overall increase of the proposed rate change. Therefore, Idaho Power Company is filing the enclosed Errata in order to correct the error.

If you have any questions about this Errata or this matter, please do not hesitate to contact me.

Very truly yours,

Lisa D. Nordstrom

IDAHO PUBLIC
UTILITIES COMMISSION

Attorneys for Idaho Power Company

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO POWER)	
COMPANY'S APPLICATION FOR)	CASE NO. IPC-E-16-24
AUTHORITY TO INCREASE ITS RATES)	
FOR ELECTRIC SERVICE TO RECOVER)	ERRATA TO APPLICATION
COSTS ASSOCIATED WITH THE NORTH)	
VALMY POWER PLANT.)	

On October 21, 2016, Idaho Power Company ("Idaho Power" or "Company") filed an Application for an order authorizing the Company to: (1) accelerate the depreciation schedule for the North Valmy Power Plant ("Valmy") to allow the plant to be fully depreciated by December 31, 2025, (2) establish a balancing account to track the incremental costs and benefits associated with the accelerated Valmy end-of-life date, and (3) adjust customer rates to recover the associated incremental annual levelized revenue requirement of \$28.50 million with an effective date of June 1, 2017.

In that Application, Idaho Power had a typographical error on the reference to the overall increase of the proposed change:

22. The Company proposes to allocate the increase related to the Valmy balancing account using the jurisdictional separation study methodology consistent with

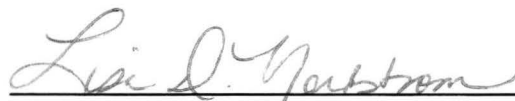

that utilized to determine the Idaho jurisdictional revenue requirement in Case No. IPC-E-11-08. The Company requests that the incremental revenue requirement of approximately \$28.50 million be recovered from all customer classes through a uniform percentage increase to all base rate components except the service charge. The proposed change equates to an overall increase of **3.10** percent (see Attachment No. 1).

Idaho Power Application at 10.

Therefore, Idaho Power hereby files this Errata to correct the typographical error referencing the proposed overall increase:

22. The Company proposes to allocate the increase related to the Valmy balancing account using the jurisdictional separation study methodology consistent with that utilized to determine the Idaho jurisdictional revenue requirement in Case No. IPC-E-11-08. The Company requests that the incremental revenue requirement of approximately \$28.50 million be recovered from all customer classes through a uniform percentage increase to all base rate components except the service charge. The proposed change equates to an overall increase of **2.51** percent (see Attachment No. 1).

DATED at Boise, Idaho, this 8th day of November 2016.

LISA D. NORDSTROM
Attorney for Idaho Power Company
