On December 19, 2016, Micron Technology, Inc. moved the Idaho Public Utilities Commission (Commission), under Commission Rules of Procedure 19 and 43.03 and Idaho Bar Commission Rule (IBCR) 227, for an Order approving the limited admission, *pro hac vice*, of Emanuel T. Cocian, Thorvald A. Nelson, and Frederick J. Schmidt in this matter. The Motions were signed and attested to by local counsel Brian T. Hansen of Boise, Idaho (Idaho State Bar License No. 6087).

In the Motion for Mr. Cocian’s limited admission, Mr. Cocian certifies that he is an active member in good standing with the bar of the states of Colorado, Georgia and Wyoming who maintains the regular practice of law in Colorado. He further declares that he is not an Idaho resident nor licensed to practice law in Idaho.

In the Motion for Mr. Nelson’s limited admission, Mr. Nelson certifies that he is an active member in good standing with the bars of the states of Colorado and Montana who maintains the regular practice of law in Colorado. He further declares that he is not an Idaho resident nor licensed to practice law in Idaho. Also, he certifies that he has been admitted *pro hac vice* in 2016 for Case Number BWL-T-16-01, before this Commission.

In the Motion for Mr. Schmidt’s limited admission, Mr. Schmidt certifies that he is an active member in good standing with the bar of the state of Nevada who maintains the regular practice of law in Nevada. He further declares that he is not an Idaho resident or licensed to practice law in Idaho.

Mr. Cocian, Mr. Nelson, Mr. Schmidt and Mr. Hansen certify that a copy of the Motions have been served on all other parties to this case, and that a copy of the Motions,

accompanied by a \$325 fee and certificate of good standing, have been submitted to the Idaho State Bar. Mr. Hansen acknowledges that his attendance shall be required at all Commission proceedings in which Mr. Cocian and Mr. Schmidt appear, unless specifically excused by the Commission.

COMMISSION FINDINGS

The Commission has reviewed and considered the Motions and applicable rules, including IBCR 227 and Commission Rules of Procedure 19 and 43.03, IDAPA 31.01.01.019 and 043.03. “Out-of-state attorneys representing the same party in one (1) or more quasi-judicial proceedings must request limited admission at least one (1) time per calendar year.” IDAPA 31.01.01.043.03(a). Based on the filings of record and certified representations of Mr. Cocian, Mr. Nelson, Mr. Schmidt and Mr. Hansen, we find it unnecessary for Mr. Nelson to request limited admission in this case as he has already been granted *pro hac vice* admission in 2016. We further find that reasonable grounds have been demonstrated to justify the granting of limited admission of Mr. Cocian and Mr. Schmidt as legal counsel for Micron Technology, Inc. In addition, we find good reason to excuse the appearance of Mr. Hansen in further proceedings in this docket unless needed by Mr. Cocian, Mr. Nelson, and Mr. Schmidt.

CONCLUSIONS OF LAW

The Commission has jurisdiction in this case and over these Motions pursuant to Idaho Code, Title 61, and the Commission’s Rules of Procedure, 31.01.01.000 *et seq.*
