Address: 3560 N Rock Creek Ln
Boise Idaho, 83703

Name of Utility Company: Idaho Power
Comment:

I support equal access to the electric grid for all customers, including those with solar or wind power. As a future solar customer I hope that Idaho Power will consider adding more options for customers to generate and use green energy, and not restrict options.

I understand that Idaho Power should be fairly compensated for access to the grid by all customers, not just those installing solar. Singling out Solar customers for a fee increase is not equitable.
