Telephone: (208) 726-1725
Address: 114 Wall St., PO Box 9320
Ketchum ID, 83340

Name of Utility Company: ID Power

Comment: Idaho Power must help develop more renewable energy in Idaho. We have solar panels on our roof and they are saving many, many tons of emissions and saving us money. IDP does not need to get left behind by the clean energy revolution.....they should be at its forefront. And the Commission must help consumers save money, reduce carbon emissions, and promote the growth of new clean energy based businesses in Idaho.
