FROM: KARL T. KLEIN
DEPUTY ATTORNEY GENERAL

DATE: MAY 1, 2018

SUBJECT: IDAHO DEPARTMENT OF ADMINISTRATION'S PETITION FOR EXEMPTION FROM MASTER METERING RULES - CASE NO. IPC-E-18-08.

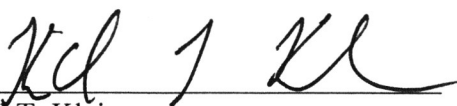

On April 13, 2018, the Idaho Department of Administration (IDOA) petitioned the Commission for an exemption from the Commission's Master-Metering Rules for Electric Utilities (IDAPA 31.26.01) for the State of Idaho's Chinden Office Complex (the former Hewlett Packard campus). IDOA also seeks a corresponding waiver of Idaho Power's Master-Metering Standards in Rule E to Tariff No. 101. IDOA asks that the Petition be processed as quickly as possible, by Modified Procedure.

STAFF RECOMMENDATION

Staff expects to conduct some discovery in this case. Staff thus recommends that the Commission issue a Notice of Petition, Notice of Intervention Deadline, and Notice of Modified Procedure that sets a 14-day intervention deadline and a June 21, 2018 comment deadline. The Commission should also set a July 5, 2018 deadline for the IDOA to file reply comments, if needed.

COMMISSION DECISION

Does the Commission wish to issue a Notice of Petition, Notice of Intervention Deadline, and Notice of Modified Procedure setting a 14-day intervention deadline, a June 21, 2018 comment deadline, and a July 5, 2018 deadline for the IDOA to file reply comments, if needed?
