---

On June 4, 2019, The Industrial Customers of Idaho Power (“ICIP”), filed a late petition to intervene in the proceeding. No one opposed ICIP’s petition. Having reviewed the record, we conditionally grant ICIP’s petition as follows.

**FINDINGS**

Commission Order No. 34189 set a November 30, 2018 deadline for petitions to intervene. ICIP filed its petition to intervene on June 4, 2019. ICIP’s petition is, therefore, untimely.

Untimely petitions to intervene are governed by Rules 71-75, IDAPA 31.01.01.071-.075. Based on the record, we find that ICIP has shown good cause for the untimely filing, and that it has a direct and substantial interest in this proceeding and will not unduly broaden the issues. We thus find it reasonable to grant ICIP’s untimely petition to intervene on the condition that ICIP not delay, disrupt, or unduly broaden the issues in this proceeding. We note that, per Rule 73, ICIP is bound by all prior orders and notices issued in the case.

**ORDER**

IT IS THEREFORE ORDERED that ICIP’s petition to intervene is granted on the conditions specified above.

IT IS FURTHER ORDERED that all parties in this proceeding serve all papers hereafter filed in this matter on all parties of record. This Intervenor is represented by the following for purposes of service:
