Re: Name Change Bypass Limited, a California
Limited Partnership to SE Hazelton A, L. P., A
Limited Partnership

Dear Ms. Walters:

On February 10, 1989, by Order No. 22326 in Case No. IPC-E-89-2, the Idaho Public Utilities Commission approved a power sales agreement between Idaho Power Company and Bypass Limited, a California Limited Partnership. That entity, Bypass Limited, a California Limited Partnership has subsequently changed its name to SE Hazelton A, L.P., A California Limited Partnership. There are no other changes in the composition or location of the partnership. In addition, Bypass's (now SE Hazelton A's) mailing address for notification purposes contained at page 40 of the executed power sales agreement will remain the same.

The purpose of the name change is to avoid unnecessary confusion with another hydroelectric facility located on the same canal system that is known as the Bypass Project. In addition, with this change the partnership's name now contains the descriptive name of the hydroelectric facility.

Attached is a true and correct copy of the certificate from the Idaho Secretary of State's Office certifying the name change in the Application for Registration of Foreign Limited Partnership of Bypass Limited, a California Limited Partnership to SE Hazelton A, L.P., a California Limited Partnership.

Would you please file this correspondence in the above referenced docket for future reference? I am also, by copy of this letter, informing Idaho Power Company of the name change. If you have any questions or require any additional information, please do not hesitate to contact me.

Sincerely yours,

Peter J. Richardson
