PETITION FOR LEAVE  
TO INTERVENE

21 COMES NOW, the Industrial Customers of Idaho Power, herein  
22 called "this Intervenor" and pursuant to this Commission's Rule 5,  
23 by this Petition requests leave to intervene herein and to appear  
24 and participate as a party herein, and as grounds therefor states  
25 as follows:

1. The name and address of this Intervenor is:

1 This Intervenor will be represented by:

6 Lindsay, Hart, Neil & Weigler  
7 Jefferson Place, Suite 400  
350 N. Ninth  
Boise, Idaho 83702

8 Copies of all pleadings, testimony, exhibits, production  
9 requests, production responses, Commission orders and other  
10 documents should be provided to the parties identified above.

11 2. This Intervenor is an unincorporated association of large  
12 industrial consumers of electricity. All of the members of  
13 Industrial Customers of Idaho Power receive electric utility  
14 services from the Appellant under Tariff Schedules 18 and 19.  
15 These industrial consumers will be affected by this proceeding in  
16 that, if the Applicant's request is granted in whole or in part,  
17 these industrial customers may suffer direct and substantial  
18 increases in their electric service rates.

19 3. This Intervenor in its capacity as a representative of  
20 industrial consumers' interest intends to participate herein as a  
21 party, and if necessary to introduce evidence, cross-examine  
22 witnesses, call and examine witnesses, and be heard in argument.  
23 The nature and quality of evidence which this Intervenor will  
24 introduce is dependent upon the nature and effect of other evidence  
25 in this proceeding.

26 4. Without the opportunity to intervene herein, this

1 Intervenor would be without any means of participation in the  
2 determination of the Applicant's requested increase in its charges  
3 for electric utility services, and this Intervenor would be unable  
4 to participate in proceedings which will have material impact on  
5 rates its members may be required to pay for future electric  
6 service.

7 5. The multiple representation by this Intervenor of its  
8 members' interests as industrial consumers will prevent duplication  
9 of effort and aid in the administration of these proceedings.

10 WHEREFORE, the Industrial Customers of Idaho Power request  
11 that this Commission grant this Petition to Intervene in these  
12 proceedings and to appear and participate in all matters as may be  
13 necessary and appropriate; and to present evidence, call and  
14 examine witnesses, present argument and to otherwise fully  
15 participate in these proceedings.

16 DATED at Portland, Oregon this 31st day of May, 1990.

17  
18 Respectfully submitted,
