IDAHO PUBLIC  
UTILITIES COMMISSION

April 30, 2002

Reference: Reasons why we could not meet the Deadline

Idaho Public Utilities Commissioners:

Honorable Commissioners,

I would request a continuance in case PAC-E-02-1. As an intervener I retained the services of Alva Harris. His schedule is full of other legal matters. He notified me on April 30<sup>th</sup>, 2002, at 4:00 p.m. that he would not be able to accomplish the legal duties I requested of him. I do not attempt to expand the issues in this case further than is stated in commission order 29008. I respectfully ask for your patience and understanding. I will accept your judgement as to this matter.

I also intend to call witnesses and show evidence based on condition two of the Pacific Corp. and Scottish Power merger. I will call witnesses and show evidence on the issues listed in commission order 29008. Also I intend to introduce evidence and bring witnesses as to the relationship of the fairness of the allocation of cost between the customers of Idaho/Utah power customers and the other Pacific Corp. customers.

Thank you for your pertinence in this matter.

Respectfully,

Timothy J. Shurtz
