Re: Case No. PAC-E-03-4

Dear Commissioners:

PacifiCorp has reviewed the comments filed by the Idaho Farm Bureau Federation, the Advocates for the West, and Commission Staff in this matter. PacifiCorp appreciates the thoroughness of the comments of the Commission Staff, and believes that those comments, along with PacifiCorp's Answer and Request for Approval of the Net Metering Schedule adequately address the issues raised in the comments from the Farm Bureau Federation and Advocates for the West. Accordingly, PacifiCorp submits that the record in this case supports approval of Schedule 135 as submitted.

Very truly yours,

D. Douglas Larson
Vice President, Regulation
