Honorable Commissioners:

I, Timothy Shurtz, a city councilman representing the City of Firth, am requesting intervener status for myself in case # PAC-E-03-05. The Firth City Council voted unanimously to request intervention in this case on February 10, 2004. On the grounds that we have granted Utah Power the sole franchise for providing power within the City of Firth, we feel that we have a substantial interest in any possible change of tariffs charged within the City of Firth. I also have had other people within the larger Utah Power service area express concern to me on the up coming case before you. Therefore, I would like to be granted intervener status. I will not expand on other issues outside this case.

Sincerely,

Timothy J. Shurtz  
Firth City Councilman
