RE: PAC-E-03-5

Sirs:

I am writing to oppose the rate surcharge requested by Utah Power for 16 months. The income tax problems are their responsibility and not the users. Accountability for errors must be made by the Commission to Utah Power. Anything else is folly to allow them to run sloppy operations then come crying to Idaho Public Utility Commission for relief.

Comment_description: We are against the Utah Power surcharge extension. I'm retired and we live on a small fixed income. Prices are going through the roof and we have less and less to live on. Even three dollars is a lot of money to us. We would appreciate you not extending the surcharge.

Thank You,
Ray & Kathy Bozzo
