_____)	

COMES NOW, Community Action Partnership Association of Idaho (hereinafter "CAPAI" or "Intervenor") and, pursuant to Rules 071-075 of the Commission's Rules of Practice and Procedure, IDAPA 31.01.01.071-075, hereby petitions the Commission for leave to intervene in this proceeding and to appear and participate with full parties' rights. In support of this Petition, CAPAI states as follows:

1. The address and name of the respective Intervenor is:

Community Action Partnership Association of Idaho
 P.O. Box 8224
 Boise, ID. 83707

2. This Intervenor will be represented in this proceeding by, **and pleadings and**

other correspondence need only be sent to:

3. CAPAI is a non-profit corporation consisting of six community action agencies serving every county in Idaho and also includes, among others, the statewide Idaho Migrant Council and fights the causes and conditions of poverty through building the capacity and effectiveness of its members who have a direct and substantial interest in this proceeding. These causes and conditions of poverty include high utility costs for PacifiCorp's low income rate payers. Low income families pay a higher percentage of their income for utility expenses than those in other economic categories. These conditions are often caused by living in sub-standard or older housing that is not energy efficient. Weatherization offers energy efficient retrofits for homes owned by low-income rate payers (at 150% poverty level). Currently, weatherization programs in Idaho have as much as a six year backlog of customers needing the service.

CAPAI, if allowed intervention, will, among other things, address the current levels of funding in PacifiCorp's low-income weatherization program as well as numerous other issues related to low-income ratepayers. Though the breadth and nature of issues addressed by CAPAI is yet to be precisely determined, CAPAI notes that this Commission has found good cause to allow CAPAI's intervention in the Idaho Power and AVISATA recent general rate filings. CAPAI's involvement in the current application will be at least as substantial and of interest to PacifiCorp's general body of ratepayers.

4. CAPAI intends to participate in this proceeding as a party and introduce testimony and exhibits, cross-examine other witnesses, engage in oral argument and otherwise fully participate as a party.

WHEREFORE, the Community Action Partnership of Idaho hereby requests that this Commission grant its Petition to Intervene in this proceeding and to fully appear and participate as a party with all the attendant rights and responsibilities.

DATED, this 23rd day of February, 2005.
