Re: Idaho Docket No. PAC-E-05-8  
Order No. 29998

To the Idaho Public Utilities Commission:

The Board of Directors of PacifiCorp, by a unanimous written consent dated as of January 28, 2011, declared a dividend of 77.017 cents (\$0.77017) per share on the outstanding shares of PacifiCorp common stock (an aggregate of \$275 million), payable to its sole common stock shareholder of record, PPW Holdings LLC, on February 28, 2011.

Commitment I7 of the Stipulation approved in Order No. 29998 provides that PacifiCorp will provide the Commission notice when it intends to increase the amount of dividend payments by 10% or more. As this is the initial dividend payment to PPW Holdings LLC, such notice is hereby provided.
