UTILITIES COMMISSION

Dear Ms. Jewell:

Pursuant to Commitment I 17(2), incorporated in the Idaho Public Utilities Commission Order No. 29973 issued February 13, 2006, as supplemented by Order No. 29998 March 14, 2006, in the above-referenced proceeding, approving the acquisition of PacifiCorp by MidAmerican Energy Holdings Company ("MEHC"), Rocky Mountain Power hereby provides notice of PacifiCorp's intent to dissolve its affiliates, PacifiCorp Environmental Remediation Company ("PERCO"), and Pacific Investment Management Inc. ("PIMI") with which it has transacted significant business, effective July 1, 2012.

PERCO is a corporation organized under Delaware's corporate statutes. PacifiCorp is the direct, 100% owner of PERCO. PERCO was set up to receive and administer certain funds used for environmental remediation projects, and perform same. These funds have been utilized, and there is no longer a continuing compelling business purpose for retaining the separate entity. PIMI is a corporation organized under Oregon's corporate statutes. PacifiCorp is the direct, 100% owner of PIMI. PIMI was set up in conjunction with and consistent with the purposes of PERCO. PIMI has been inactive since 2002 and contains no assets or liabilities.

Upon the dissolution of PERCO (effective, July 1, 2012, upon filing of Articles of Dissolution with the Delaware Secretary of State) PacifiCorp will directly hold all of PERCO's assets, including cash, and liabilities, including environmental liabilities. Upon the dissolution of PIMI (effective, July 1, 2012, upon the filing of Articles of Dissolution with the Oregon Secretary of State) PIMI, will cease to exist and no further corporate or tax filings will be required.

Please do not hesitate to contact me if you have any questions.

Best Regards,
