Re: PacifiCorp Notice of Affiliate Transaction
Case No. PAC-E-05-8

Dear Ms. Jewell:

This letter will serve as notice pursuant to Commitment I 17(2), incorporated in the Idaho Public Utilities Commission Order No. 29973 issued February 13, 2006, as supplemented by Order No. 29998 March 14, 2006, in the above-referenced proceeding, approving the acquisition of PacifiCorp by MidAmerican Energy Holdings Company (MEHC), of an affiliate interest transaction between American Express Travel Related Services Company, Inc. (AXP) and the Company for travel-related services. MEHC entered into a master Business Travel Services Agreement, including a Statement of Work (Agreement) on behalf of its platforms. MEHC platforms may execute an Affiliate Addendum to become a party to the Agreement. PacifiCorp intends to participate in the Agreement by executing an Affiliate Acceptance Letter, which is included with the Agreement as Exhibit C. The Agreement contains commercially-sensitive information and is submitted under seal, and the Company requests that it be made confidential. PacifiCorp is required under the Agreement to maintain the confidentiality of the entire agreement. Additionally, the Agreement contains terms and conditions resulting from negotiations between the parties, the disclosure of which could erode the Company's bargaining power in the future. A copy of the Agreement is included as Confidential Attachment A.

PacifiCorp is a wholly-owned indirect subsidiary of MEHC. MEHC is a subsidiary of Berkshire Hathaway, Inc. (Berkshire Hathaway). As of March 31, 2010, Warren E. Buffet (an individual who may be deemed to control Berkshire Hathaway), Berkshire Hathaway, various subsidiaries of Berkshire Hathaway and various employee benefit plans of Berkshire Hathaway subsidiaries together held an interest in excess of 5 percent in AXP. Therefore, Berkshire Hathaway's ownership interest in AXP may create an affiliated interest in some PacifiCorp jurisdictions.

AXP will be the Company's preferred travel agency and will provide travel reservations and online booking services. Services provided by AXP will provide savings to PacifiCorp over the costs incurred for travel services from the previous vendor. Pricing information for the

services provided by AXP is contained in Exhibit A to Confidential Attachment A. PacifiCorp anticipates spending \$35,000 per year on travel services purchased from AXP.

PacifiCorp operates in six states. Company employees travel for business purposes, such as attending regulatory commission proceedings and attending to job functions that cover more than one state. Relying on travel services provides an efficient and cost-effective way of managing travel needs and expense. Accordingly, the transaction is consistent with the public interest. AXP was selected as the best evaluated provider as the result of a competitive bid.

Please do not hesitate to contact me if you have any questions.
