RE: CASE NO. PAC-E-05-08
IN THE MATTER OF THE JOINT APPLICATION OF MIDAMERICAN ENERGY HOLDINGS COMPANY AND PACIFICORP DBA UTAH POWER & LIGHT COMPANY FOR AN ORDER AUTHORIZING MEHC TO ACQUIRE PACIFICORP.

Update to Provisions in Merger Commitment 35(e)

Dear Ms. Jewell:

Under the Consolidated List of Commitments specified in the all-party settlement agreement approved by the Idaho Public Utilities Commission in the above referenced Case, Merger Commitment 35(e) states the following:

PacifiCorp will continue its Partial Interim Service product and its tariff provision that allows transmission customers to alter pre-scheduled transactions up to twenty minutes before any hour, and will notify parties to this proceeding if it proposes changes to these two elements of its OATT.

The intent of this letter is to serve as notice regarding a change to PacifiCorp's Open Access Transmission Tariff (OATT) provisions. Under Order Nos. 764 and 764-A¹ issued by the Federal Energy Regulatory Commission (FERC) on June 22, 2012, and Order No. 714² issued on September 10, 2013, PacifiCorp submitted a compliance filing to revise Sections 13.8 (Scheduling of Firm Point-to-Point Transmission Service) and 14.6 (Scheduling of Non-Firm Point-to-Point Transmission Service) of its OATT to provide an opportunity for transmission customers to submit transmission schedules at 15-minute intervals. Transmission customers are now able to alter pre-scheduled transactions up to 20 minutes before each 15-minute scheduling

¹ *Integration of Variance Energy Resources*, Order No. 764, 139 FERC ¶ 61,246 (2012), *order on reh'g and clarification and granting motion for extension of time*, Order No. 764-A, 141 FERC ¶ 61,232 (2012).

² *Electronic Tariff Filings*, Order No. 714, FERC Stats. & Regs. ¶ 31,276 (2008).

interval. FERC's Order No. 764 included *pro forma* tariff language that transmission providers are required to include in their OATTs.

Consistent with Order No. 764-A, PacifiCorp requested that FERC establish an effective date of November 12, 2013, for the OATT revisions. This filing is still pending before FERC.

Informal questions concerning this filing may be directed to Ted Weston, Manager of Regulatory Affairs (801) 220-2963.

Very truly yours,

Jeffrey K. Larsen
Vice President, Regulation and Government Affairs
