**Re: In the Matter of the Application of Rocky Mountain Power for Approval to  
Revise Electric Service Schedule Nos. 10, 400 and 401; Docket No. PAC-E-06-  
04-41; Docket No. PAC-E-06-8; and Docket No. PAC-E-06-9**

**Request for consideration at November 20, 2006, Decision Meeting and to  
Vacate Hearing set for November 28, 2006.**

Dear Ms. Jewell:

This letter will serve as notice to the Commission that Rocky Mountain Power generally supports the comments filed by all parties in the above-referenced dockets and, while it appreciates the opportunity to file reply comments, it does not intend to do so. Based on the universal support for Rocky Mountain Power's Applications, Rocky Mountain Power does not believe that a hearing on November 28, 2006 will be necessary or provide any additional benefit or evidence to the Commission. Rocky Mountain Power believes that the current written record provides sufficient support for the Commission to make its decision on the merits of each Application and the comments of the parties.

Therefore, Rocky Mountain Power respectfully requests that the Commission vacate the hearings scheduled for November 28, 2006. Rocky Mountain Power further requests that the resolution of the above dockets be included on the agenda to be heard by the Commission at the November 20, 2006 decision meeting.

Please call me at the above number or Brian Dickman at (801) 220-4975 if you have any questions regarding this filing.

Sincerely,

Dean S. Brockbank  
Sr. Counsel
