OF PUBLIC WORKSHOPS**

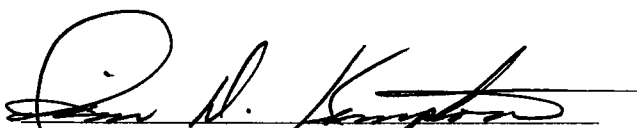

On December 5, 2008, the Commission issued a Notice of Public Workshops in Case No. PAC-E-08-07 scheduling workshops on January 7, 2009 in Rexburg, Idaho and January 8, 2009 in Preston, Idaho. The purpose of the workshops was to provide customers with an opportunity to hear from Commission Staff regarding the Company's Application in Case No. PAC-E-08-07 and to ask questions of Staff and representatives of the Company.

YOU ARE HEREBY NOTIFIED that the Commission takes notice of the existing and forecasted weather conditions in Boise and for eastern Idaho. We find that the road conditions and snow may compromise the safety of Staff traveling to the workshops and of customers attending the workshops and therefore find it reasonable to cancel the workshops. Customers are advised to review the Company's Application on the Commission's webpage (www.puc.idaho.gov) or at the Idaho offices of Rocky Mountain Power and to contact Commission Staff (1-800-432-0369, Marilyn Parker) if they have questions.
