Re: Rocky Mountain Power's Quarterly Energy Cost Adjustment Report

Ms. Jewell:

Please find enclosed for review three (3) copies of Rocky Mountain Power's 2012 third quarter Energy Cost Adjustment Mechanism (ECAM) report and a confidential CD containing the ECAM work papers. The Idaho Public Utilities Commission authorized implementation of an ECAM in Order No. 30904 to track and defer the difference between base net power costs, established in a general rate case, and actual net power costs incurred by Rocky Mountain Power to serve its Idaho customers.

The Company has prepared a confidentiality agreement and this report is being provided to those that have executed the confidentiality agreement.

Informal inquiries may be directed to Ted Weston, Idaho Regulatory Manager at (801) 220-2963.

Very truly yours,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
