)	ORDER NO. 30747

On February 11, 2009, PacifiCorp dba Rocky Mountain Power filed an Application with the Commission seeking authority to revise its Schedule 72A Irrigation Load Control Credit Rider Dispatch Program. More specifically, the Company requests changes to tariff Sheet Nos. 72A.1, 72A.2, 72A.3 and 72A.4. The Company requests that the Application be processed by Modified Procedure with a proposed effective date of March 13, 2009.

THE APPLICATION

YOU ARE HEREBY NOTIFIED that Rocky Mountain Power seeks to revise its Schedule 72A, Irrigation Load Control Credit Rider Dispatch Program.

YOU ARE FURTHER NOTIFIED that tariff Sheet No. 72A.1 addresses the purpose of Schedule 72A. The proposed change provides the Company's rationale for preseason Internet access.

YOU ARE FURTHER NOTIFIED that tariff Sheet No. 72A.2 addresses load control service credit. The Company's proposed modifications would allow the Company to issue a credit in lieu of a check for the Load Control Service Credit ("Credit"), at its discretion, at the end of the season. Additional language was added to clarify how average demand is calculated when two years of usage history is unavailable. Language was also added to indicate that the tiered credit was designed to promote program participation. A revision was included to correct the notification date for participation from February 15 to April 15.

YOU ARE FURTHER NOTIFIED that the proposed changes to tariff Sheet Nos. 72A.3 and 72A.4 add language to clarify the Company's notification procedures for a dispatch event and revise language to the liquidated damages section from actual prices paid by the

Company for replacement power to the day ahead on-peak price at Four Corners as quoted at the Intercontinental Exchange (ICE).

YOU ARE FURTHER NOTIFIED that the Company requests a March 13, 2009, effective date.

YOU ARE FURTHER NOTIFIED that the Application, supporting workpapers and exhibits have been filed with the Commission and are available for public inspection during regular business hours at the Commission offices. The Application and other workpapers are also available on the Commission's website at www.puc.idaho.gov under "File Room" and then "Electric Cases."
