Re: Case No. PAC-E-10-02:  
Order No. 31018

In the matter of the Application of PacifiCorp DBA Rocky Mountain Power for authority to (1) issue and sell or exchange not more than \$2,000,000,000 of Debt; (2) enter into credit support arrangements; (3) enter into currency swaps; and (4) contribute or sell additional Debt to special-purpose entities.

Dear Commissioners:

Pursuant to Order No. 31018, PacifiCorp is hereby providing notice to the Commission of the proposed issuance of approximately \$100 million of the Company's First Mortgage Bonds.

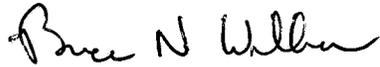

The Company expects to issue an additional \$100,000,000 of its 2.95% series first mortgage bonds due 2022. It is expected that the bonds will be issued at a premium or discount so that the yield will equal the 10 year United States Treasury Benchmark plus approximately 105 basis points. At the present time the yield on the proposed issuance would be approximately 2.95%. The Bonds are expected to be redeemable at the Company's option at redemption prices dependent upon United States Treasury yields except that during the 3 months prior to maturity the Bonds may be redeemed at par.

PacifiCorp anticipates using the proceeds from the issuance of the Bonds for refunding of certain tax-exempt bond obligations, the retirement of short-term debt, acquisition of property and for construction, completion, extension or improvement of utilities facilities.

We anticipate the transaction will close on or about March 6, 2012 and we intend to provide the Commission a post-closing issuance notice, which notice will include all other information required pursuant to the referenced order, in a timely manner.

Please contact me if you have any questions about this matter.

Sincerely,

A handwritten signature in cursive script that reads "Bruce N. Williams".
