	)	

---

On February 28, 2011, the Commission issued Final Order No. 32196 in the above titled case.

On March 7, 2011, in compliance with the aforementioned Commission Order, PacifiCorp dba Rocky Mountain Power ("Rocky Mountain" or "Company"), filed Revised Tariff Schedule 400 for Commission approval with a proposed effective date of March 1, 2011. The Revised Tariff Schedule 400 would replace the existing Schedule 400 approved by the Commission on December 28, 2010, and effective January 1, 2011, per Order No. 32151.

Subsequent to the Company's Revised Tariff filing, both Monsanto and Rocky Mountain filed Petitions for Clarification and Reconsideration which are currently pending before the Commission. The Petitions raise certain issues that could affect the language or rates contained in the Revised Schedule 400. Staff recommended that the Revised Schedule 400 be suspended.

### COMMISSION FINDINGS

The Commission has reviewed Rocky Mountain's tariff filing and considered Staff's recommendation. The Commission finds that the suspension of the Revised Tariff Schedule 400 Filing, pursuant to *Idaho Code* §§ 61-622 and 61-623, until such time as the Commission issues its Order on Reconsideration is fair, just and reasonable. The Commission finds that a suspension of the tariff filing for a period of 45 days will allow the Commission to specifically address the substantive issues pertaining to the rates and language of Schedule 400 presented in the Petitions for Clarification and Reconsideration filed by Monsanto Company and Rocky Mountain.

## ORDER

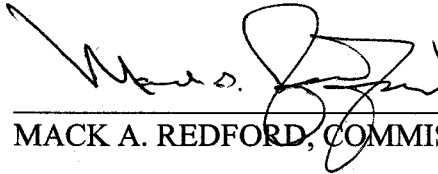

IT IS HEREBY ORDERED that Rocky Mountain Power's Revised Schedule 400 tariff filing is suspended for a period of 45 days from the service date of this Order or until such time as the Commission issues its Order on Clarification and Reconsideration in this case.

IT IS FURTHER ORDERED that Rocky Mountain Power's existing Schedule 400, approved by the Commission on December 28, 2010, and effective January 1, 2011, per Order No. 32151, shall remain in effect until the Commission issues its subsequent Order on Clarification and Reconsideration in this case.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 6<sup>th</sup> day of April 2011.
