July 12, 2010

Ladies and Gentlemen;

Please Deny the rate increase, requested bu Rocky Mountain Power .

As you are well aware, our investments have taken a serious dive on the stock market. The money we have in savings earns less than 2% A.P.Y.

Our home is a little unique in that we have two meters. (House is designed as a duplex, but not used that way presently.) Never the less for two people using a two bed room, two bath; our power bill feels excessive.

Our recent Rocky Mountain Payments are listed below:

Sept. 2009	\$53.08
Oct	\$67.40
Nov.	\$71.06
Dec.	\$87.20
Jan. 2010	\$88.28
Feb.	83.57
Mar.	86.91
April	70.89
May	70.70
June	84.64
July	76.24

That is more than enough...I hope you agree.

Sincerely Yours,

Doris Jones
