)	

Pursuant to Rules 71 and 73 of the Idaho Public Utilities Commission's Rules of Practice and Procedure, PacifiCorp Idaho Industrial Customers ("PIIC") petitions the Idaho Public Utilities Commission (the "Commission") for leave to intervene. In support of this Petition, PIIC states as follows:

1. The name and address of PIIC is:  
  
PacifiCorp Idaho Industrial Customers  
c/o Williams Bradbury, P.C.  
1015 W. Hays St,  
Boise, ID 83702
2. PIIC will be represented in this proceeding by Williams Bradbury, P.C.

3. PIIC is a coalition of Idaho companies that are industrial customers of Rocky Mountain Power ("RMP"). RMP's application to revise its depreciations rates to RMP's depreciable electric plant greatly impacts PIIC members. PIIC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with these proceedings. PIIC intends to participate in all respects of this proceeding and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

4 Without the opportunity to intervene herein, PIIC would be without a manner or means of participating in the lawful determination of issues which will result in affecting the rates for electric service to the PIIC members.

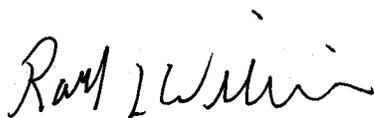

5. PIIC acknowledges that this intervention is after the date for intervention established by IPUC Order No 32772, that being April 11, 2013. However, PIIC does not believe

this late intervention will unduly harm or cause any prejudice to RMP or any other party in this proceeding.

WHEREFORE, PIIC respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 24 day of April, 2013.

Respectfully submitted,

---
