IDAHO PUBLIC
UTILITIES COMMISSION

Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

CASE NO. PAC-E-13-05

IN THE MATTER OF PACIFCORP DBA)
ROCKY MOUNTAIN POWER'S 2013)
INTEGRATED RESOURCE PLAN)

IDAHO CONSERVATION LEAGUE)
MOTION TO EXTEND COMMENT)
PERIOD)

The Idaho Conservation League (ICL) respectfully requests the Commission extend the comment period for Rocky Mountain Power's 2013 Integrated Resource Plan (IRP). This IRP is a complex document including significant analysis of coal plant pollution controls, Demand Side Management potential, and the Gateway Transmission projects. Extending the comment deadline beyond the initial 28-day period will enable a more thorough review of the assumptions and analysis supporting the IRP action plan. Granting this extension is unlikely to cause any appreciable delay to RMP as the IRP review process in Utah extends into October and in Oregon to January of 2014. ICL informally consulted the parties who indicated they do not oppose this motion.

WHEREFORE, ICL requests the Commission extend the comment deadline by 45 days.

DATED this 24th day of June 2013.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
