BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION)	
OF PACIFICORP DBA ROCKY MOUNTAIN)	Case No. PAC-3-13-14
POWER FOR APPROVAL OF AN ELECTRIC)	
SERVICE AGREEMENT WITH MONSANTO)	
COMPANY)	
)	
_____)	

MONSANTO COMPANY'S JOINDER IN APPLICATION

COMES NOW Monsanto Company ("Monsanto") through counsel and hereby respectfully joins in the Application of PacifiCorp dba Rocky Mountain Power ("Rocky Mountain Power" or "Company") for approval of the Electric Service Agreement (the "ESA") entered into between Rocky Mountain Power and Monsanto. The ESA has been executed by the parties and was filed with the Commission for approval as a part of the Stipulation in Case No. PAC-E-13-14. Upon approval by the Commission, the ESA will become effective January 1, 2014, the date the current Electric Service Agreement will expire.

Monsanto concurs with and joins in the statements and representations made by Rocky Mountain Power in its Application. While Monsanto has no objection to the Application being processed under Modified Procedure, further notice and opportunity to comment appears to be redundant and unnecessary because the Stipulation in Case No. PAC-E-13-04 included the new ESA between Monsanto and Rocky Mountain Power, a notice of an opportunity to comment was provided in that case and no comments were received, except for those of the Company and Staff in support of the Stipulation and approval of Monsanto's new ESA.

Based on the foregoing, Monsanto respectfully requests that the Commission approve the Application and issue an Order approving the proposed ESA between the Company and Monsanto effective January 1, 2014.

RESPECTFULLY SUBMITTED this 7th day of November, 2013.
