As discussed below, AgPower has a direct and substantial interest in these proceedings, and therefore the Commission should grant intervention.

PETITION TO INTERVENE

I.

AgPower DCD, LLC is a party, as seller, to a Firm Energy Sales Agreement (FESA), as amended, with Idaho Power Company (Idaho Power) in connection with an anaerobic digester electric power generating facility having a maximum capacity of 2.25 MW and energy deliveries of less than 10 aMW. It is known as the Bettencourt Dry Creek Biofactory. The FESA was first approved by the Commission in Case No. IPC-E-10-2, Order No. 31034.
