2. This Intervenor, the Clearwater Paper Corporation is a customer of Avista Corporation (“Avista”) and currently owns generation facilities that are certified to sell electric energy and capacity as PURPA qualifying facilities at its facility near Lewiston, Idaho that are cumulatively capable of generating approximately 109 megawatts of energy. Clearwater Paper Corporation claims a direct and substantial interest in this proceeding in that the term for potential future sales from its generators as QFs may be limited as a result of the Commission’s actions in this matter. In addition, Avista Corporation has petitioned to intervene with the intent
