BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO POWER) Case No. IPC-E-15-01
COMPANY’S PETITION TO MODIFY)
TERMS AND CONDITIONS OF) ERRATA TO MOTION TO LATE FILE
PROSPECTIVE PURPA ENERGY) THE DIRECT PREFILED TESTIMONY
SALES AGREEMENTS) OF ERIK A. STUEBE AND TO
) PETITION TO INTERVENE
)

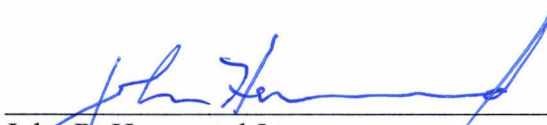

COMES NOW Ecoplexus, Inc., a Delaware corporation (“Ecoplexus”) and files this Errata to the Motion to Late File the Direct Prefiled Testimony of Erik A. Stuebe and Petition to Intervene in the above matter.

In the Motion to Late File the Direct Prefiled Testimony of Erik A. Stuebe Ecoplexus represented that Idaho Power never informed Ecoplexus of these proceedings. This is incorrect. Yesterday, Idaho Power Company referred Ecoplexus to correspondence that it sent on February 2, 2015. Upon review of Ecoplexus records the company discovered it had received correspondence from Idaho Power Company dated in February of 2015, where amongst other matters the utility advised Ecoplexus that it had filed a petition in this case. Ecoplexus inadvertently overlooked this correspondence and wishes to correct its previous representation.

Despite this error, Ecoplexus still has a substantial interest in this case and its participation in these proceedings will not result in any prejudice to any party.

WHEREFORE, Ecoplexus respectfully requests that the Commission grant its Petition to Intervene and its Motion to Late File the Direct Prefiled Testimony of Erik A. Stuebe.

DATED this 19th day of May 2015

Attorney for Ecoplexus, Inc.
