Address: 1518 Knights Drive  
Boise Idaho, 83712

Name of Utility Company: Idaho Power

Comment: As an advocate for fairness, I urge the IPUC to place no cap on rooftop solar. Many jobs in Idaho rely on the freedom to offer solar PV solutions, and it is an unfair hardship on these small Idaho businesses to place an arbitrary limit to their future sales. Please remove the cap on rooftop solar and allow Idaho businesses to operate without the instability and burden caused by this unnecessary constraint.
