**** STOP. THINK. External Email ****

Daniel,

We just noticed that in the application Rocky Mountain Power filed at the Idaho PUC in Case No. PAC-E-17-10, there is what appears to be an incorrect date reference. The case caption says "In the Matter of the Application of Rocky Mountain Power to Increase the BPA REP Credit Effective October 2018 through September 2019." Based on the information in the body of the application, it appears that should read October 2017 through September 2019.

For our records, could you please confirm that October 2017 is correct date?

Thank you,

Camille Christen | Deputy Attorney General
