

1. I am the attorney of record in the above-captioned matter for Petitioner-Appellant The Building Contractors Association of Southwestern Idaho, Inc. ("Building Contractors"). I have personal knowledge of the matters set forth herein, and make this Affidavit in support of the contemporaneously filed *Building Contractors' Uncontested Motion for Extension of Time for Filing Appellant's Brief*.

2. In accordance with I.A.R. 34(e), I hereby state the following:

a. Building Contractors' Appellant's brief currently is due May 3, 2010.

b. No previous extension of time has been requested or granted.

c. No previous request for an extension of time has been requested or denied.

d. An extension is necessary because my schedule, including preparing for, travelling to, and attending hearings in eastern Idaho the week of April 26-30, 2010 will not permit adequate time to prepare Building Contractors' Appellant's Brief. This appeal ultimately will decide whether Idaho Power Company's Rule H line extension tariff approved by the Idaho Public Utilities Commission ("IPUC") is unlawfully discriminatory against new customers. The outcome will affect all Idaho Power Company customers and the matter deserves to be fully briefed with adequate time.

e. Building Contractors requests a twenty-one (21) day extension, which will make May 24, 2010 the date on which its Appellant's Brief will be due.

f. I have discussed Building Contractors' request for extension of time with counsel for Appellant Ada County Highway District and Respondents Idaho Power Company and IPUC, and they are in agreement with and stipulate to Building Contractors' requested extension of time.

g. I assure the Court that Building Contractors' Appellant's Brief will be filed by May 24, 2010 if its request for extension of time is granted.

FURTHER YOUR AFFIANT SAYETH NAUGHT.
