COMES NOW, Grouse Creek Wind, LLC and Grouse Creek Wind II, LLC (collectively "Appellants") and hereby provides notice to the Idaho Supreme Court ("Court") of the status of the Idaho Public Utilities Commission's ("PUC") review on remand.

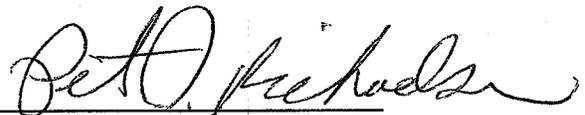

On November 22, 2011, this Court issued its Order Granting Stipulated Motion to Suspend Appeal and Remand to the Administrative Agency ("Order"). In its Order, the Court provided that, "counsel for the Appellants shall notify this court, in writing, immediately upon the expiration of the suspension regarding the status of the proceedings in this appeal." In response to that directive the Appellants say as follows:

The Idaho Public Utilities Commission ("Commission") issued a Notice of Scheduling in this matter on remand on January 2, 2012. Pursuant to that Notice of Scheduling, Idaho Power and Staff filed initial legal briefing on February 6, 2012; Appellants filed their reply brief on February 27, 2012; and the parties presented oral argument before the Commission on March 7, 2012. The matter is now fully submitted before the Commission and an order is expected to issue accordingly.

It is the Appellants' understanding of the Court's Order that the suspension will continue until March 15, 2012, or until the Commission has completed its review on remand. Therefore, although March 15, 2012 is upon us with no final Commission order having issued, an additional order granting further suspension is not necessary.

DATED THIS 15<sup>th</sup> day of March, 2011.
