

1. The date the Respondent Idaho Power Company's ("Idaho Power") and the Intervenor-Respondent Idaho Public Utilities Commission's (collectively the "Respondents") briefs are due: October 23, 2013.

2. The number of extensions of time previously granted: None.

3. Whether any previous request for extension of time has been denied: None.

4. The reason or grounds why an extension is necessary: Because of numerous scheduling conflicts, including Idaho Power's counsel being out of town, Respondents seek additional time with which to file their briefs. Given the two-week extension previously granted to Appellant modifying the previous schedule, the October 23, 2013, due date now conflicts with previously scheduled time when Idaho Power's counsel is unavailable. Respondents seek a two-week extension of time in which to file Respondents' Briefs.

5. The number of days of extension deemed necessary and the date on which the brief would become due: A fourteen-day extension with the Respondents' briefs due on November 6, 2013.

6. Whether there has been any stipulation of the parties for this Motion: All parties have stipulated to this Uncontested Joint Motion to Extend Time for Filing Respondents' Briefs.

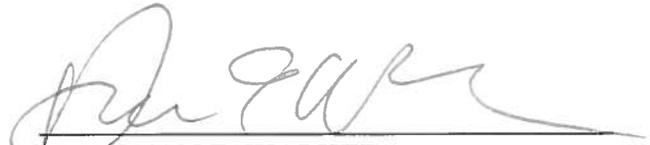

7. The position of the opposing party concerning the application for extension: Counsel for New Energy Two, LLC, and New Energy Three, LLC ("New Energy") has agreed through e-mail communications to this Uncontested Joint Motion requesting an additional fourteen (14) days for Respondents' to file their responsive briefs; i.e., until November 6, 2013. Counsel for the Idaho Public Utilities Commission also consents and joins this Uncontested Joint Motion.

8. What assurance there is that the briefs will be filed within extended time requested: Respondents request this short extension for filing their briefs so that they may appropriately respond to the arguments contained in New Energy's Brief and resolve other scheduling conflicts. The issues and record for this matter is limited in nature, and with the resolution of conflicts in schedules afforded by this requested extension, Respondents' Briefs will be submitted no later than November 6, 2013.

Consequently, the parties believe there is good cause to grant the Uncontested Joint Motion to Extend Time for Filing the Respondents' Briefs until November 6, 2013.

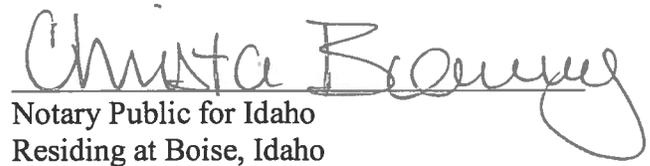

Further your affiant sayeth not.
