PETITION TO INTERVENE

COMES NOW the Idaho Conservation League ("ICL") and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name and address of this Intervenor to whom copies of all pleadings production requests, production responses, Commission orders and other documents should be provided is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12
Fax: (208) 344-0344
botto@idahoconservation.org

2. Idaho Conservation League claims a direct and substantial interest in this proceeding arising from the impact to its members served by Avista and to its long-term role advocating for public values. As Idaho's largest state-based conservation organization, we have approximately 1,000 members who are residential customers of Avista in Idaho. In addition to representing the interest of residential customers, ICL has an interest in promoting the responsible expansion of energy efficiency in Idaho. As the only potential intervenor in this proceeding advocating for specifically for residential customers, ICL brings a unique and valuable perspective to this proceeding.

This intervention petition is timely. As of August 13, 2012, the filing date of this Petition, the Commission has not established an intervention deadline for this case.

Because this Commission has directed all utilities to pursue all cost effective efficiency and conservation measures, ICL's intervention will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party, and if necessary, may introduce evidence, be heard in argument and call, examine and cross-examine witnesses as may be relevant in this matter. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 13th day of August 2012.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
